Body Balance™ with authentic Hoodia Gordonii is a powerful natural appetite suppressant and mood enhancer that promotes the feeling of fullness without bloating. Traditionally used for centuries by the Sans people of South Africa to help stave off hunger.

Body Balance™ with Green tea, Gymnema, and Chromium will help keep you from overeating - So you eat less, stay active and loss weight.

"In clinical trials Hoodia has shown to reduce appetite by 30-40%. Subjects given Hoodia ate 1000 calories a day less"
